

# WissKI User Meeting 2024

The WissKI community is meeting again this year in the Aufseß Hall of the [Germanisches Nationalmuseum in Nuremberg](#) to discuss projects, topics and challenges together and to find out about current developments. **The video call room will be sent after registration - [Registrations](#) are possible until October 31st!**

All participants are cordially invited to take part [Community survey](#) to participate.

## Agenda

**hybrid/in presence**

**20.11.2024**

**[11:00 - 11:10 \(hybrid\) Welcome](#) (Robert Nasarek, GNM Nürnberg)**

*A welcome message with a brief overview of this year's WissKI User Meeting.*

**[11:10 - 11:45 \(hybrid\) Keynote](#) (Harald Sack, FIZ Karlsruhe)**

*Manager, researcher, teacher, entrepreneur. Harald Sack has many roles in relation to the Semantic Web. In his keynote, he talks about the developments, challenges and opportunities that linked open data and knowledge graphs offer and what role software such as WissKI can play in this.*

**[11:45 - 12:00 \(hybrid\) Drupal/WissKI-News](#) (Robert Nasarek, GNM Nürnberg)**

*AI, Starshot, Recipes - SODa, Flavors, Barrels?; What's new about Drupal and WissKI?*

**[12:00 - 12:15 \(hybrid\) IGSD e.V.](#) (Georg Hohmann, German Museum Munich)**

*The association "Interest Group for Semantic Data Processing" introduces itself.*

**[12:15 - 12:30 \(hybrid\) WissKI Users: This is the community](#) (Kathrin Fischidl, GNM Nuremberg)**

*Visualization and characterization of WAT visitors.*

**[12:30 - 13:30 \(in presence\) Lunch](#)**

*The Café Arte of the Germanisches Nationalmuseum provides food (also vegetarian).*

*The IGSD covers the cost of the meal.*

**[13:30 - 15:30 \(hybrid\) Contributions from the community I](#)**

*Projects and activities related to WissKI are presented in 20-minute slots. These include presentations about WissKI in the newly launched project "Collections, Objects, Data Competencies (SODa)", new developments from the Center for Research Data and Information, the role of WissKI in the NFDI consortia and reports on the use of WissKI in various collection projects .*

**[15:30 - 15:50 \(in presence\) Coffee break](#)**

*A short break with hot and cold drinks and snacks.*

**[15:50 - 18:00 \(hybrid\) Introductory workshop in WissKI](#) (Mark Fichtner, GNM Nuremberg)**

*A getting started on installation, semantic data modeling and configuration for WissKI newbies.*

**[15:50 - 18:00 \(in presence\) Workshops](#)**

*Advanced WissKI users have the opportunity to take part in up to three consecutive 40-minute topic workshops. The topics depend on the interests in the Registrations.*

**[ab 18:15 \(in presence\) Dinner \(self-pay\)](#)**

*We end the evening in a cozy atmosphere in the [Tucher-Bräu at the opera house](#).*

**21.11.2024**

**09:00 - 10:40 (hybrid) Contributions from the community II**

*In the second part of the community contributions, we learn more about the use of WissKI as a 3D repository, for the presentation and management of catalogs raisonnés, how to use WissKI to get a better idea of the short 11th century and about its suitability for the search and exploration of multilingual and decentralized research data.*

**10:40 - 11:00 (in presence) Coffee break**

*A short break with hot and cold drinks and snacks.*

**11:00 - 12:30 (hybrid) Word-Café I**

*We meet in a relaxed atmosphere around various topics such as support, development, modelling or infrastructure to collect and discuss needs and problems in changing small groups, but also to make contacts or to contribute and exchange wishes and solutions.*

**12:30 - 13:30 (in presence) Lunch**

*The Café Arte of the Germanisches Nationalmuseum provides food (also vegetarian).*

*The IGSD covers the cost of the meal.*

**13:30 - 14:30 (hybrid) Word-Café II**

*The Word Café is going into the second round.*

**14:30 - 15:00 (hybrid) Sum up**

*That was the WissKI User Meeting 2024! We give an outlook and show how you can take action.*

**15:00 End**
